1. BACKGROUND AND CURRENT SITUATION

- 1.1. To update the Governing Body and provide assurance of the continued commitment of WCCG to work with staff side and staff to ensure their views are listened to and taken into consideration.

2. MAIN BODY OF REPORT

- 2.1. The Staff Survey launched in June 2015 has now been reviewed at the Staff Forum. The majority of the issues raised have been dealt with.
- 2.2. A Staff Away Day is being organised for July. Current plans are to re-define the values of the CCG now that it has been in situ for three years. The CCG will be working with HR and Communications colleagues from the CSU to arrange the event.
- 2.3. The CCG continues to work with UNISON on providing all staff health and well-being awareness sessions in June 2016. The courses will be provided by the Open University, who delivers accredited courses on behalf of UNISON.
- 2.4. JNCC and WCCG are working together to ensure staff all have up to date Contracts. This is now almost complete.
- 2.5. Staff Side, HR and Mike Hastings, Associate Director of Operations are currently undertaking a self-assessment standards tool developed as part of Public Health England's Workplace Wellbeing Charter. This Charter is an opportunity for employers to demonstrate their commitment to the health and well-being of their workforce. The Charter will provide WCCG with an easy and clear guide on how to ensure WCCG is a supportive and productive environment in which employees can flourish.
- 2.6. Lisa Murray, the current Staff Side Representative, will be stepping down from her Staff Side role this year but is committed to continuing her involvement in the work around staff health and well-being awareness courses and WCCG obtaining Workplace Wellbeing Charter 'Good Employer Accreditation'.

The JNCC ensures that WCCG continues to engage with and support staff.
