

Primary Care Commissioning Committee Actions Log (Public)

Action No	Date of meeting	Minute Number	Item Title	Item	By When	By Whom	Action Update
24	04.12.18	WPCC436	Healthwatch Wolverhampton GP Communication Report.	To discuss the recommendations and report back on the CCG response.	Feb-19	Sarah Southall	
25	04.12.18	WPCC439	Enhanced Services Nov-Mar	That the final version of the Service Specification be circulated to Committee members.	Feb-19	Sarah Southall	09/01/19 Service specification circulated to committee members (DN)
26	04.12.18	WPCC439	Enhanced Services Nov-Mar	A process for urgent approvals be developed by the Primary Care Operational Management Group	Feb-19	Mike Hastings	
27	04.12.18	WPCC440	Unprocessed Files associated with Docman 7	That the Primary Care Operations Management Group review whether alternatives to Docman could be utilised	Feb-19	Ramsey Singh	28/01/2019: The clinical system offers a basic document management system however the functionality is very basic compared to the current system Docman. Moving the document management system back to the clinical system would mean that practices would need to access a legacy system for all patent letters that have been scanned into the system, meaning documents in two locations. (RS)
28	04.12.18	WPCC440	Unprocessed Files associated with Docman 7	That, when confirmed, the total cost to the CCG of supporting practices to review documents be reported.	Feb-19	Ramsey Singh
