

**WOLVERHAMPTON CCG**  
**Primary Care Commissioning Committee**  
**June 2019**

<b>TITLE OF REPORT:</b>	STP Primary Care Strategy
<b>AUTHOR(s) OF REPORT:</b>	Sarah Southall, Head of Primary Care
<b>MANAGEMENT LEAD:</b>	Sarah Southall, Head of Primary Care
<b>PURPOSE OF REPORT:</b>	To share with the committee the first draft of the Black Country and West Birmingham STP Primary Care Strategy. The strategy has been prepared in line with national requirements defined in the NHS Long Term Plan and Operating Guidance.
<b>ACTION REQUIRED:</b>	<input checked="" type="checkbox"/> <b>Decision</b> <input type="checkbox"/> <b>Assurance</b>
<b>PUBLIC OR PRIVATE:</b>	This report is intended for the public domain, noting that the document is currently in draft status and not yet finalised.
<b>KEY POINTS:</b>	<ul style="list-style-type: none"> <li>• The detail within the strategy has been provided in response to the specific layout requested by NHS England.</li> <li>• The content has been populated over a very short period and is based on input from a variety of lead personnel across the STP including Primary Care Teams, Finance, Contracting, Commissioning, Quality and Planning.</li> <li>• This overarching strategy sets the STP Vision for Primary Care, particularly focuses on our population the practices within our membership(s) and the formation of PCNs importantly the workforce challenges we face across the footprint.</li> <li>• The newly developed strategy also focuses on key elements defined in the long term plan including:-             <ul style="list-style-type: none"> <li>○ Key Element 2 – The NHS will reduce pressure on emergency hospital services</li> <li>○ Key Element 3 – People will get more control over their own health and more personalised care when they need it</li> <li>○ Key Element 4 – Digitally enabled primary and out patient care will go mainstream across the NHS</li> </ul> </li> </ul>

	<ul style="list-style-type: none"> <li>○ Key Element 5 – Local NHS organisations will increasingly focus on population health – moving to integrated care systems everywhere</li> <li>● A series of Patient Engagement Events were held in May to explore the views of patients and carers, this detail is captured within the strategy.</li> <li>● Due to the very short timescale of availability the strategy has been shared for comment with Primary Care Network Clinical Directors and LMC in addition to this committee for comment no later than 14 June in order for final amendments to be made before submission to NHS England as per their deadline of 20 June.</li> </ul>
<p><b>RECOMMENDATION:</b></p>	<p>The committee should consider the content of the strategy provide feedback and confirm if they have any immediate concerns.</p> <p>The CCGs Governing Body have delegated responsibility to this committee to approve the document in principle.</p>
<p><b>LINK TO BOARD ASSURANCE FRAMEWORK AIMS &amp; OBJECTIVES:</b></p>	<ol style="list-style-type: none"> <li>1 Improving the quality and safety of the services we commission</li> <li>2 Reducing Health Inequalities in Wolverhampton</li> <li>3 System Effectiveness delivered within our financial envelope</li> </ol>
