<b>RECOMMENDATION:</b>	That the committee note the information provided
<b>LINK TO BOARD ASSURANCE FRAMEWORK AIMS &amp; OBJECTIVES:</b>	
1. Improving the quality and safety of the services we commission	Maintenance of quality of services for patients by continuing to offer appropriate access to primary care medical services and in offering a full range of enhanced services delivered by an appropriately skilled workforce and improving patient choice of GP
2. Reducing Health Inequalities in Wolverhampton	The CCG Primary Care Strategy is supported in transforming how local health care is delivered
3. System effectiveness delivered within our financial envelope	Collaborative working and working at scale allows for delivery of primary medical services at scale effectively reducing organisation workload and increasing clinical input at no extra cost

**1. GMS Contract Variations 1<sup>st</sup> April 2019 –31<sup>st</sup> July 2019**

For the committee to note the variations to GMS contracts during the above period.

## **2. Tettenhall Medical Practice: update on consultation process on application to close Wood Road Surgery, branch site.**

The consultation process was due to end 31st July 2019 however this has been extended to September 15<sup>th</sup> 2019 to allow for a further consultation session with the patients and public on September 11<sup>th</sup> and for comments from the Local Authority Health Overview and Scrutiny Committee taking place on 12<sup>th</sup> September 2019 to be fed into the consultation process.

A Public Meeting outside of the CCG/practice consultation was held by the local community and was chaired by Eleanor Smith MP. This was very well attended with around 180 attendees.

The application to close Wood Road Surgery will be presented to PCCC for committee decision in due course .

## **3. Primary Care Networks: Spirometry Enhanced Service**

Wolverhampton Total Health PCN (already competent to deliver the service) and Wolverhampton South East PCN (due to commence training) have signed up to deliver the Spirometry Enhance Service and are the only 2 PCN's delivering the service at Network level.

The following PCN,s have chosen not to sign up to the service and will continue to refer to RWT

- Unity East
- Unity West
- North Network
- RWT

The CCG will therefore need to double run with RWT in 20/21 and agree how the current waiting list will be cleared at RWT as well.

## BOARD ASSURANCE FRAMEWORK NOTES

(Please **DELETE** before submission)

Following a review of the BAF, it will now be based on the risks associated with the CCG achieving its strategic aims and objectives as follows:-

Strategic Aims	Strategic Objectives
1. Improving the quality and safety of the services we commission	<p>a. <u>Ensure on-going safety and performance in the system</u> Continually check, monitor and encourage providers to improve the quality and safety of patient services ensuring that patients are always at the centre of all our commissioning decisions</p>
2. Reducing health inequalities in Wolverhampton	<p>a. <u>Improve and develop primary care in Wolverhampton</u> – Deliver our Primary Care Strategy to innovate, lead and transform the way local health care is delivered, supporting emerging clinical groupings and fostering strong local partnerships to achieve this</p> <p>b. <u>Deliver new models of care that support care closer to home and improve management of Long Term Conditions</u> Supporting the development of Multi-Speciality Community Provider and Primary and Acute Care Systems to deliver more integrated services in Primary Care and Community settings</p>
3. System effectiveness delivered within our financial envelope	<p>a. <u>Proactively drive our contribution to the Black Country STP</u> Play a leading role in the development and delivery of the Black Country STP to support material improvement in health and wellbeing for both Wolverhampton residents and the wider Black Country footprint.</p> <p>b. <u>Greater integration of health and social care services across Wolverhampton</u> Work with partners across the City to support the development and delivery of the emerging vision for transformation; including exploring the potential for an ‘Accountable Care System.’</p> <p>c. <u>Continue to meet our Statutory Duties and responsibilities</u> Providing assurance that we are delivering our core purpose of commissioning high quality health and care for our patients that meet the duties of the NHS Constitution, the Mandate to the NHS and the CCG Improvement and Assessment Framework</p> <p>d. <u>Deliver improvements in the infrastructure for health and care across Wolverhampton</u> The CCG will work with our members and other key partners to encourage innovation in the use of technology, effective utilisation of the estate across the public sector and the development of a modern up skilled workforce across Wolverhampton.</p>
