1. BACKGROUND AND CURRENT SITUATION

- 1.1. To update the Governing Body and provide assurance of the continued commitment of WCCG to work with staff side and staff to ensure their views are listened to and taken into consideration.

2. MAIN BODY OF REPORT

- 2.1. The results of the Staff Survey launched in June 2016 are currently being reviewed at the Staff Forum.
- 2.2. The CCG worked with UNISON on providing all staff an opportunity to attend health and well-being awareness sessions in July and August 2016. The courses were provided by the Open University, who deliver accredited courses on behalf of UNISON. These sessions were well attended and well received.
- 2.3. Work around the self-assessment standards tool is on-going. This Charter is an opportunity for employers to demonstrate their commitment to the health and well-being of their workforce. The Charter will provide WCCG with an easy and clear guide on how to ensure WCCG is a supportive and productive environment in which employees can flourish.
- 2.4. There are monthly meetings with Staff Side, HR and the Associate Director of Operations to discuss any staffing issues that may arise.
- 2.5. The Staff Forum's are held bi-monthly and each team within the CCG is represented.
