

PRIMARY CARE JOINT COMMISSIONING COMMITTEE
March 2017

Title of Report:	General Practice Forward View Implementation Plan 2017-19
Report of:	Sarah Southall, Head of Primary Care
Contact:	As above
Primary Care Joint Commissioning Committee Action Required:	<input type="checkbox"/> Decision <input checked="" type="checkbox"/> Assurance
Purpose of Report:	<p>The General Practice Forward View was published in April 2016 & sets out a series of pledges and aspirational changes to achieve a sustainable primary care for the future.</p> <p>Further Guidance issued by NHS England (September 2016) identifies primary care as a 'must do' area for local operational plans 2017-19. In December 2016 the CCG submitted an outline delivery plan to NHS England for consideration.</p> <p>The final version of Wolverhampton's GPFV implementation plan is attached for reference. The document is being shared with a range of other forums during the month of March as follows:-</p> <ul style="list-style-type: none"> • Primary Care Operational Management Group • Senior Management Team • Primary Care Strategy Committee • Governing Body <p>The plan sets out how the GPFV will be brought to life locally within Wolverhampton, with commentary to support each chapter; investment, workforce, workload, practice infrastructure & care redesign.</p> <p>The plan concludes with an outline programme of work that will capture each of the 93 projects NHS England are launching. Some projects have already begun, many are yet to commence & will be incorporated into further iterations of the plan.</p> <p>The committee should note that regular assurance reports on this programme of work will be overseen by the Primary Care Strategy Committee from April 2017 and shared periodically with the forums stated above as well.</p>

Public or Private:	The contents of the report could be shared with the public.
Relevance to CCG Priority:	<ul style="list-style-type: none"> • Helping people to recover from episodes of ill health or following injury • Ensuring people have a positive experience of care • Treating and caring for people in safe environment & protecting them from avoidable harm
Relevance to Board Assurance Framework (BAF):	Domain 1 – Well Led Organisation
